IV. OLD BUSINESS

- ARRL Field Day will be in June. Ted would like to put together a search committee for a location if anyone would like to volunteer. Ted said that it would be nice to have it at a park or open public space. Overnight

operations may still be limited and at the EOC if there is interest. A few locations were suggested and discussed:

- Byron Park (Buddy Stewart Park) off of Lake Pat
 - Good location for radios, shaded, but not as public facing.
 - No restroom access.
- Hulen Park
 - Good location for radios, antennas, with a pavilion and very public facing.
 - Reservations are required for the pavilion and fees will need to be researched.
 - There is a possibility that regulations for the antennas may pose an issue, as well as how busy the park is.
- Carver Park
 - Small park, relatively open for antennas, and has a pavilion.
 - Unsure about restroom access.
- Behind the Civic Center in Rio Vista might be an option, Ted will contact the city.
